

ETS 125 REQ-PLUS RANDOM ORBITAL SANDER

Compact Finish Sander	<u>Code</u> 574993	<u>Price</u> \$ 195
-----------------------	-----------------------	-------------------------------

Perform near-flawless finishes with the new ETS 125 REQ-PLUS random orbit sander. Equipped with a powerful 250 watt motor that provides smooth performance and solid results with a 5/64" (2.0 mm) sanding stroke.

Reduce fatigue through improved ergonomics with a rubberized grip and over-sized power switch. Balanced vibration stop (VS) design delivers better finish results, smooth operation and greater comfort. This feature plus a sanding pad brake puts the ETS 125 in a category of its own.

ETSC 125 RANDOM ORBITAL SANDER

Cordless Eccentric Sander

Effortlessly transition from corded to cordless without compromising performance. The ETSC 125 provides the same functionality of its corded counterpart but with hybrid power options - use it cordless or corded. The 18-volt battery provides up to 30 minutes of runtime at full power. **Battery and charger not included - must purchase separately - see below.**

Work virtually dust-free with Jet-stream® dust extraction technology to ensure a cleaner surface and work environment with longer abrasive life for better sanding results. Integrated, removable Protector provides protection to abutting surfaces as well as the pad for up close sanding applications.
