

SALICE Exedra Gravity Pocket Door System

The Exedra Gravity system integrates seamlessly into multiple spaces, complementing a wide range of furniture, from kitchens and home offices to bar cabinets and laundry rooms. Can be supplied with hinges and **Smove**, for a smooth soft close, or **Push** to open hinges for handle-less doors. Both versions are available in nickel or titanium finishes.

The concealed sliding mechanism, contained within a 55mm housing, allows for easy adjustment and access without disassembling the cabinet. It attaches directly to the cabinet side in just a few simple steps. No need for cables, tie rods or springs. For use with individual door weights up to 88 lbs.
