

**Grass Tipmatic Touch-Latch**  
For "Push to Open" Conversion

RH: 601223 (9" - 12")  
101300 (15" - 21")  
LH: 600223 (9" - 12")  
101301 (15" - 21")

Tipmatic touch-latch mechanism for DynaPro. A customer with an existing soft-close DynaPro slide can simply "knock-out" the existing soft-close mechanism and snap in a Tipmatic touch-latch mechanism. Rated for drawers up to 24" wide.

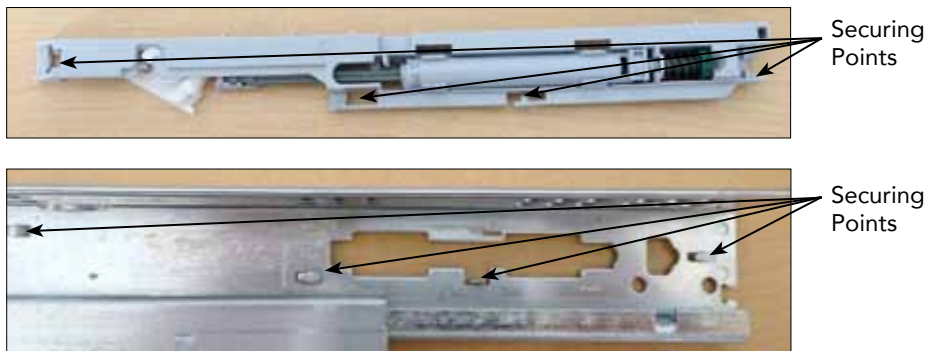

- Step 1.** Remove existing soft-close mechanism. To remove, use a flat blade screw driver to release the side tab, and push forward on the entire mechanism.

Slide mechanism forward to release from holding tabs.

Slide is now clear of soft-closing mechanism

- Step 2.** Install Tipmatic mechanism (push to open). Properly installed, the mechanism is seated and locked with all four tabs, and locking tab is secure.

Code	Description	Ctn	List/ea
601223	RH Tipmatic for 9" - 12"	50	\$ 15.32
