

SURFPREP'S NEW

ProFoam

THE TIDE IS CHANGING...

"ProFoam cuts 2x faster and lasts 2x longer. It also doesn't tear as easily as the OG. It's a GRANDSLAM. One piece of ProFoam lasted 50 doors and it's still cutting. We sanded both clear coats and pigmented water-based primers."

-Eric Reason Custom Woodworks

✓ **5mm** Flat

✓ **10mm** Firm

✓ **1/2"** Squishy

New!

REVOLUTIONIZE YOUR SANDING GAME!

Features

✓ INNOVATIVE DESIGN

- Premium, pre-stressed minerals
- Flexible, catalyzed multi-layered adhesive
- Precision controlled modified open-coat
- Variety of grits and foam densities
- High tensile strength loop backing
- Clog resistant, multi-hole dust extraction

Benefits

✓ LONG LIFE

- The longest lasting foam abrasive on the market
- Highly-reduced operator fatigue
- Quicker workload throughput
- Over 50% less pads used, minimum
- Significant labor & material cost savings
- Eliminates re-sanding and correcting surface issues
- Guaranteed highest quality & value

Advantages

✓ EXTREME PERFORMANCE

- Faster cutting with less pressure
- Self-sharpening grains for longer life
- Tear-resistant on all surfaces
- No loading/build-up of substrate sanded
- Extreme sanding: profiles and flat surfaces
- Consistent sanding quality

"These should be called the 'bad-ass' pads, because that's what they are! I used just one pad on an entire project, and I could keep using it. They fit into curves and crevices with ease."

-Apple Blossom Way, Chelsea Evans
