**SLIDE PRO****3RD HAND****SLIDE PRO**

Drawer Slide Installation Tool

Face Frame

Frameless

The Slide Pro is a fast, hands free installation system for any drawer slide. Install a whole set of slides at once, instead of one at a time! Use the adjustment shelves to align with the cabinet railings, then tighten the tension knobs to hold in place, and install the drawer slides to the perfect height every time. Its durability and accurate measurements make it great in the shop and out on the job for any cabinet drawer installations.

**Features**

- Measuring tower for quick install
- Adjustable shelf system
- Tension Knobs

**Great For**

- Framed and modular cabinets
- Retro fitting old cabinets
- Undermount drawer slides

Pack includes: (2) Measuring Towers, (6) Shelves w/ tension knobs, and (2) stands.

## FILES

### SAVE-EDGE FILES

Sharp, Long Lasting Files

Handy File, Dual-Cut File - 10"

Mill Coarse File - 10", 12"

The teeth on these files have been specifically designed for use on laminate and wood materials. Specially processed in the U.S. to create a uniquely sharp and long-lasting edge. One edge is smooth and one edge has teeth.

The **HANDYFILE** is a unique file with a single cut on one side and a double cut on the other side. Round handle. Excellent for use on all laminates and wood.

The **DUAL-CUT** is specifically for laminates. Mill Coarse cut on one side. Flat Coarse cut on the other side. Round handle. Flat Coarse side allows for rapid stock removal with a medium smooth finish.

The **MILL COARSE** is a single cut file (teeth cut one direction) and primarily used on laminate and wood. This file gives a smooth finish, yet removes material very well.

<u>Code</u>	<u>Description</u>	<u>Ctn</u>	<u>List/ea</u>
7308838FC	10" Handy File	12 ea.	\$ 23.58

7080308FC	12" Mill Coarse	12	20.93

### SIMONDS ALL PURPOSE FILES

8", 10"

All purpose files mill smooth cut on one side, bastard fast cut on the other side - both edges have teeth. Terrific for on-the-job touch-ups or when frequent alternating between fine and coarse filing is necessary. Just flip to the other side! The spatula-shaped integral handle makes them safe and easy to use. Top quality industrial files. Made in the USA.
