Dear Manfred:

Woodwork Institute has received your product acknowledgment request and its accompanying documentation. The following product complies with the North American Architectural Woodwork Standards (NAAWS) minimum hardware requirements:

Grass America Elite, Full Extension, Soft Close, 100 lb. Rated Drawer Slide System

This product will be listed on Woodwork Institute's website ([www.woodworkinstitute.com](http://www.woodworkinstitute.com)), on its Acknowledged Product webpage.

Please note that you have a great marketing opportunity to provide additional information about your products at this link: <https://woodworkinstitute.com/submit-acknowledged-product-listing-information/>. You may also now use the Listed Product logo which can be found in the Affiliate Only section (found under the Affiliation tab on the home page). This logo may only be used for as long as you remain an MIP and only for the above referenced acknowledged products.

This letter, as well as the listing on the website, may be used as evidence of WI's acknowledgement of your product's compliance with NAAWS.

If we can be of further assistance, please call or contact us via e-mail.

Sincerely,

Heather Zertuche  
National Director of Certification
